THE EAGLE

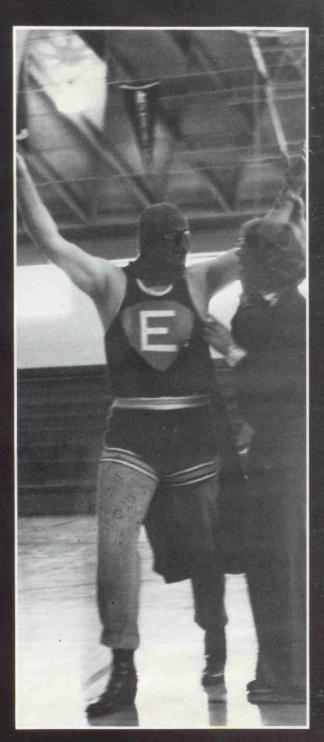

DELAND - WELDON

7767 SCH66L 1977 - 1978 For some of us, this was a year of initiation.
For others, a last year of preparation.
For everyone, school offered moments of

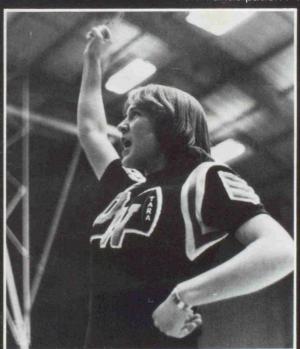

. . . fun . . .

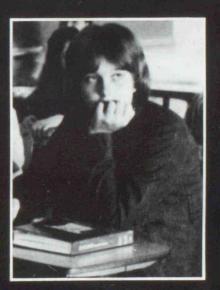

. . . drama . . .

. . . anticipation . . .

. . . spirit . . .

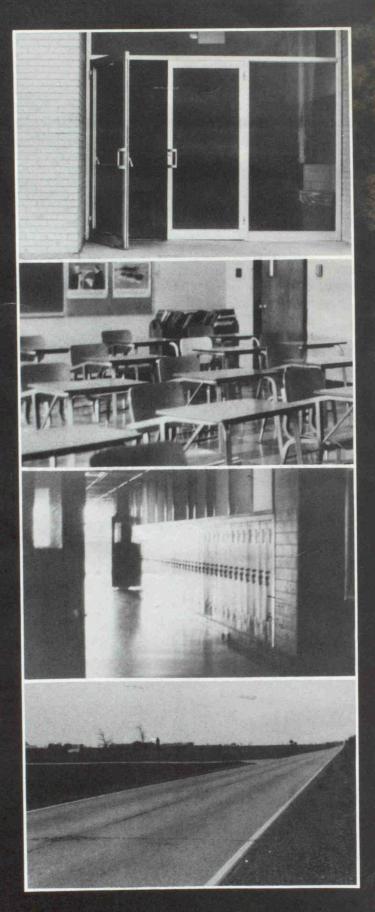

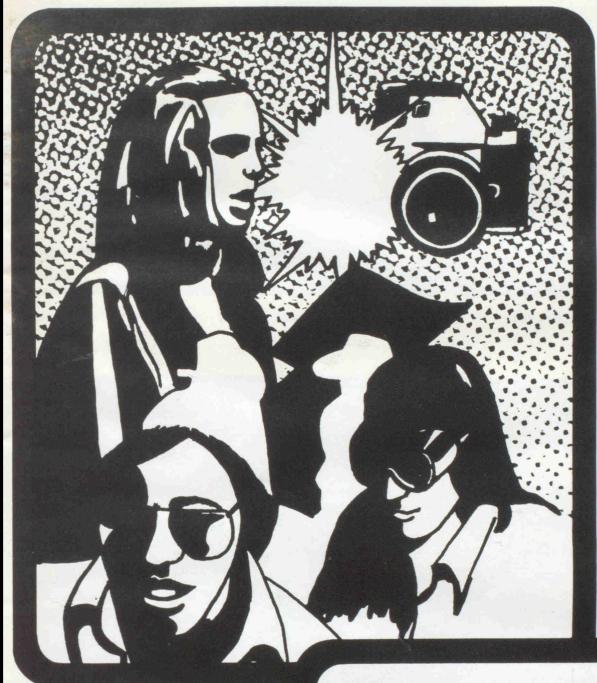

. . . thought . . .

Everyday we walked through the Same doors, sat in the same chairs, and leaned against the same lockers.
During our year the path never changed—only our directions and destinations.

RAU REALTY Farmer City

To The 1977-78 Marching Eagles:

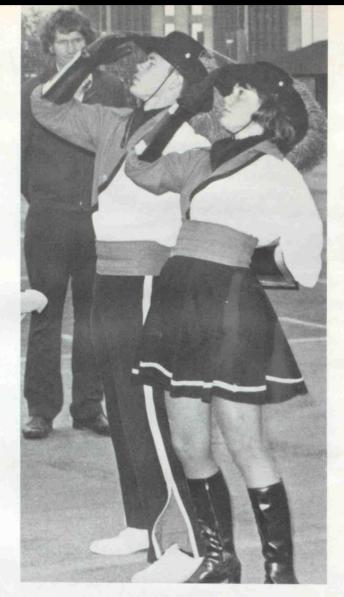

This year was a very special one in many ways. Being the defending champion in every competition we entered this fall, the band had the added pressure of upholding the tradition established by the fine band we had in 76-77. All other bands seemed to point toward beating Deland-Weldon.

The real highlight of the year was watching the band each day preparing itself to face this challenge. Beset with losing a large portion of the band to graduation, we had to start from scratch and rebuild whole sections with first year students. The pride, determination, and "class" which each student exhibited was truly the secret to our success.

The band's finest hour came at the University of Illinois Marching Festival when we won all six categories in our class. In the field, the band placed 10th overall out of 48 bands and in the parade, we placed third overall out of 65 bands with a score of 95.5—a new state record for Class D! In combined score, the Eagles finished fourth in the state, finishing behind Monticello, Wheeling, and Galesburg.

I wish to extend my personal congratulations to each band member for his outstanding accomplishments this past year in band. Through your willingness to dedicate yourself to being the best, you have achieved what others with more have not. The hard work and pride in being a champion is something few realize. To each of you, thanks, and again, Congratulations!

Student Council

Student Council was put to the task of organizing homecoming in October. At Christmas, films were rented for the entertainment of the student body. They also continued to sell pop throughout the year.

A new project was undertaken—the president of Student Council was to attend the Sangamon Valley Student Council meeting in April.

Much hard work went into all of our high school years. During the past four years, many money-making projects were instigated to obtain money for the senior trip. The work and time was all worth while in the end for the memories will continue.

The senior Class expresses its thanks to our sponsors for all their help and guidance.

GARSTEN

Carsten Boriss was our AFS student this year. His host family was the Kallembach's. Carsten's home is in Kiel, Germany. Kiel is quite larger than DeLand, with a population of 750,000.

Carsten says the schools in Germany have no study halls and are dismissed at 1 o'clock everyday. He likes that better. He also likes reading, playing guitar, and pizza.

Carsten feels that, even though he likes small towns, he wouldn't like to live in one.

We enjoyed having Carsten with us and hope he enjoyed his stay equally well.

Top Magazine Sales

A busy year full of moneymaking activities filled the spare time of the Junior Class this year. Along with their class play in the fall, the Juniors had record-breaking magazine sales. Their profit on this, combined with candle sales and basketball concession money, was used to provide the Senior Class with a very special prom.

The 1977 team was a success in many ways. We finished the season second in the conference with 5-2, with 6-2 overall. We had seven first-team all conference selections. The defense played superlative all season, shutting out Ridgefarm, Farmer City-Mansfield, and Octavia. The offense led by Les Rich also had an excellent year. Mr. Lenz sends his sincere congratulations to the graduating seniors on the "77" team. You can—if you believe!

The Deland-Weldon Eagles accomplished many of their season goals: To win the Eagle Classic, the Sangamon Valley Championship, and the Regional Championship. The team made a valiant effort in losing the Sectional Championship to Mason City, who went on to become an Elite Eight team. The defensive minded Eagles held Mason City to their lowest offensive game of their entire season, including state champion Nashville's defensive effort on Mason City.

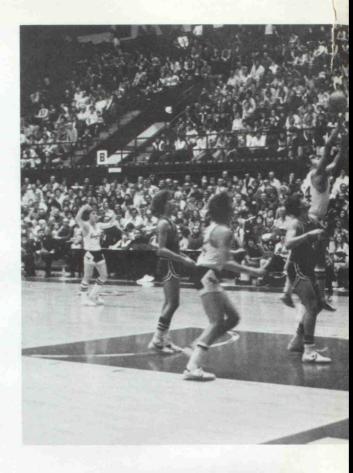

This is a reflection of Coach Kimble's feelings towards the players and the season.

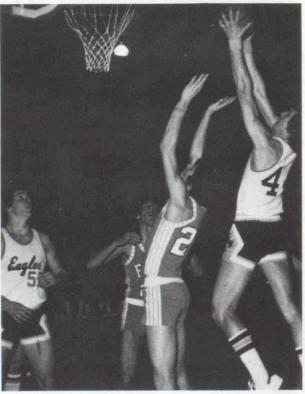

"There were many positive notes on the season for the team and for individuals. What was gratifying to me was to see the way this group of young men have matured physically, mentally, and emotionally both on and off the basketball court since they came into high school as freshmen. I have lost and won with them, laughed and cried with them joked with and chewed them. But we did it together. That's what made us 44-12, Regional and Conference Champs two years in a row. TOGETHERNESS. I have come to greatly respect and enjoy this group. This is the first team I have had for a four-year period and they will always be 'very special.' I hope they remember and respect me as much as I do them."

Track Team Places

The track team worked very hard and managed to break two school records. One record that was broken was the 2-mile relay with a time of 9:11.2. Runners were Dan Bolin, Bill Maiden, Bruce Sebens and Rick Duggins. Pole Vault record was set by Rick Duggins with a jump of 12 feet.

Highlights of the season were placing second in the Piatt County Meet. Les Rich placed fifth in the District Track Meet.

Dreams . . . Dressing up . . . Enthusiasm . . . Kings and Queens . . . An Eagle Victory . . . Homecoming 77 was one of the highlights of the football season. Prior to the Friday night celebration, floats were built and walls were decorated. That day, school spirit received a boost from a two-hour pep assembly, which included a spaghetti eating contest, a faculty skit, and a pep talk by Coach Lenz.
